CHAIN LETTERS

Can you find the seven letter word hiding in the chain?
You must use all 7 letters once only and can move from link to link only where they are connected by lines.

BRICK WALL

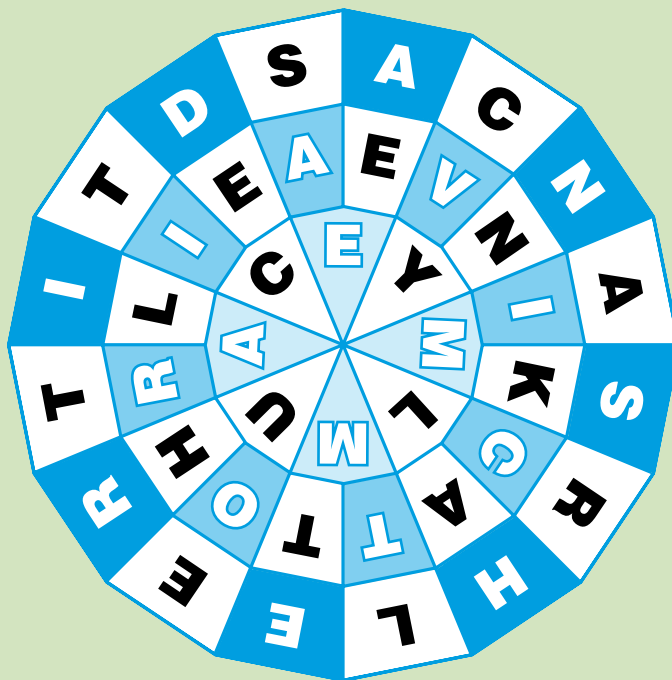

See how many five letter words you can find reading down the face of our wall. The words can only read downwards on adjoining bricks, taking only one letter from each line.

Answers: _____

PRISM

Track down the six girls' names hidden in our prism.
The words go clockwise and are on alternate shaded spaces.
